TERMINAL DISCLAIMER TO U.S PATENT APPLICATION SERIAL NO.  
10/499,182 UNDER 37 C.F.R. §1.116

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is in response to the advisory action bearing a mailing date of April 3, 2009. An appeal brief is due by May 25, 2009, since May 23, 2009 is a Saturday. In lieu of filing a brief, Applicant is respectfully submitting a terminal disclaimer to U.S. patent application serial no. 10/499,182 herein.

In view of the terminal disclaimer submitted herein, Applicant respectfully believed this obviates all pending rejections, and as such, requests the Examiner to reconsider and withdraw the outstanding rejections and allow all claims pending in this application.

U.S. Patent Application  
Serial No. 10/518,882

1. TERMINAL DISCLAIMER TO U.S. PATENT APPLICATION SERIAL NO.

10/499,182

Applicant submits herein a terminal disclaimer to U.S. patent application serial no. 10/499,182. Accordingly, Applicant respectfully believes this submission obviates all pending rejections for this application, including the provisional obviousness-type double patenting rejection to U.S. patent application serial no. 10/577,270, and places the instant application in condition for allowance. See Applicant's previous response of March 23, 2009, and the advisory action issued on April 3, 2009. Therefore, Applicant respectfully requests the Examiner to enter the terminal disclaimer filed herein; and withdraw all the pending rejections for this application.

**CONCLUSION**

Based upon the above remarks, the presently claimed subject matter is believed to be novel and patentably distinguishable over the prior art of record. The Examiner is therefore respectfully requested to reconsider and withdraw all the rejections, and allow all pending claims 1-11. Favorable action with an early allowance of the claims pending in this application is earnestly solicited.

The Examiner is welcomed to telephone the undersigned practitioner with any questions or comments if it is believed such

In re Application of: Anteo PELLICONI et al.

Application No.: 10/518,882

Filed: December 20, 2004

For: IMPACT-RESISTANT POLYOLEFIN COMPOSITIONS

The owner, Basell Poliolefine Italia s.r.l., of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on pending reference Application Number 10/499,182, filed on June 16, 2004, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the reference application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

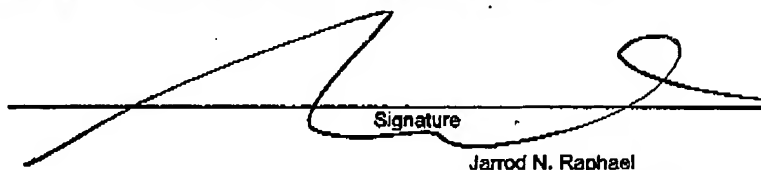

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said reference application, "as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application," in the event that: any such patent: granted on the pending reference application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.
